▶ **BACK TO SCHOOL!**

January marked a joyful return to school as we began a brand-new academic year. Our learners stepped into their new grade with confidence, excitement, and readiness to grow. We look forward to a year filled with learning, success, and wonderful memories.

PARENTS ORIENTATION

We were delighted to host our Parent Orientation as families gathered to learn about their children's new class, daily routines, and academic expectations for the year. It was a wonderful opportunity to meet the new class teacher, ask questions, and build strong partnerships for success.

Academics

At kabitaka primary school, academic excellence remains at the heart of everything we do. our learners continue to show remarkable growth in literacy, numeracy, and critical thinking, supported by engaging lessons and dedicated teachers who nurture confidence and curiosity in every child. through continuous assessment, hands on learning, and strong home-school partnerships, we are proud to see our pupils striving for excellence and developing a lifelong love for learning.

CO-CURRICULA ACTIVITIES

► Co-Curricular Activities (CCAs) are at the heart of **Sentinel Kabitaka**, where students, teachers, and coaches passionately dedicate themselves not only to training within the school but also to competing proudly with the ISAZ schools. Their commitment, teamwork, and determination consistently bring home medals and achievements that make us proud. Through discipline, resilience, and sportsmanship, we are not just participating, we are shaping confident leaders and building our future champions. 🏆

CCA – CRICKET AND TAG RUGBY CPD's FOR TEACHERS

At **Sentinel Kabitaka**, growth never stops even for our teachers! our educators actively participate in dynamic CPD sports sessions to broaden their knowledge, sharpen their skills, and stay enlightened about a variety of sporting disciplines. the recent **cricket CPD** was a fantastic highlight, equipping our staff with practical techniques, game strategies, and fresh coaching insights to better support our learners. by investing in continuous development, our teachers lead with confidence, ensuring our sports programme remains vibrant, competitive, and future-focused. 🏏

EDUCATIONAL TOURS

▶ 🌍 ✨ Learning Beyond the Classroom! 🌍 ✨

Our learners recently embarked on meaningful and exciting educational tours that truly brought learning to life!

The Interact Club visited Solwezi General Hospital and Kilelabalanda Orphanage, where they delivered donations and shared kindness, compassion, and smiles with the community. ❤️ Their visit was a powerful lesson in empathy, service, and giving back.

Meanwhile, our vibrant Year 3 learners explored the library to strengthen their love for reading and later enjoyed a fun shopping experience, building confidence and real-life money skills. 🛒 🌈

At Sentinel Kabitaka, education goes beyond books – we nurture caring hearts and curious minds!

VALENTINES DAY!!!!

Love and laughter filled the air at **Early years and KS2**, as our learners celebrated Valentine's Day in a sea of bright red! Dressed beautifully in shades of love, the children shared kindness, warm smiles, thoughtful messages, and sweet moments with their peers, teachers, and families. It was a joyful reminder that beyond academics, we nurture compassionate hearts, strong friendships, and a caring school community where love and respect are always in style. ❤️ ✨

SPELLING BEE COMPETITION!!!

🏆 Spelling Bee Champions! 🏆

Sentinel Kabitaka proudly hosted an exciting Spelling Bee and emerged victorious in both the Primary and Secondary categories, lifting the trophies high!

With strong competition from St Dominic Secondary and Sentinel Kalumbila Primary, our learners shone with confidence and excellence. We are proud of our Word Power champions! 🙌

NEW STAFF

Welcoming Our New Primary ICT Teacher!

Sentinel Kabitaka is delighted to welcome **Miss Tracy Mapoma** as our new Primary ICT Teacher!

With passion for technology and a heart for young learners, Miss Mapoma is ready to inspire creativity, digital skills, and confidence in our pupils. We are excited for the innovation, knowledge, and fresh energy she brings to our classrooms.

Welcome to the Sentinel family, Miss Mapoma. The future is digital, and we are ready to explore it together!

MID-TERM BREAK!

What a wonderful journey this half term has been! From meaningful lessons to joyful moments of growth and discovery, our school has been alive with learning, teamwork, and achievement.

As children and teachers head into the mid-term break, we encourage everyone to rest, recharge, and enjoy precious moments with family and friends. May this break bring joy, laughter, and renewed energy for the exciting weeks ahead.

Wishing our Sentinel Kabitaka family a safe and refreshing mid-term break! 🌸 ✨
